SPASTICITY X

On a Mission to "X- Out" Spasticity to Improve The Lives of Millions

2nd International Symposium
Barcelona, Spain
31 March – 3 April 2027

Sponsorship and Exhibitor Prospectus

SPASTICITY X

SPASTICITY X is the only international, interdisciplinary, three-day symposium dedicated to advancing the science and treatment of spasticity. Bringing together clinicians, researchers, patients, and key stakeholders, the event unites leading experts in spasticity and sensorimotor disorders with a shared mission: to "X-out" spasticity and improve the lives of millions worldwide.

The symposium provides a dynamic platform for analyzing current and emerging research, evaluating treatment protocols, and fostering collaboration across disciplines. Through thoughtful debate, innovative thinking, and open discussion of controversial topics, participants will work toward building consensus and shaping the future of spasticity management. Ultimately, SPASTICITY X aims to drive meaningful progress in patient care and enhance outcomes for those affected by spasticity.

Who Attends SPASTICITY X?

Clinicians and researchers in the fields of physical medicine and rehabilitation, neurology, pain management, physical therapy, occupational therapy, and speech and language pathology are committed to improving the care and quality of life of patients with spasticity and sensorimotor disorders.

Industry-Sponsored Sessions *(cont'd)*

Industry-sponsored sessions are considered unofficial (ie, not supported by the ISS). Therefore, there can be no implication in any promotional materials or mailers that the programs are presented in cooperation with, planned by, hosted by, endorsed by, or sponsored by the ISS.

The agenda/program for industry-sponsored sessions must be submitted to ISS for review. Applicants will be notified in writing if the program has been approved. If approved, all subsequent revisions to a session's content or format must be communicated to the ISS in writing.

Failure to seek approval prior to promotion and/or implementation of the event may result in the cancellation of the event and/or sanctions by the ISS.

Please Note: Members of the ISS Steering Committee are not permitted to serve as faculty for industry-sponsored sessions.

Promoting Industry-Sponsored Sessions

- Your industry-sponsored session will be posted on the SPASTICITY X website and included in the sponsorship section of the SPASTICITY X Conference App.
- You are permitted to place two signs promoting your industry-sponsored session at the Symposium venue the day of the event. The ISS will remove signs over the limit without notice, and placement of signage is at the discretion of the ISS.

Promotional materials of any kind may not use the SPASTICITY X logo. These rules apply to materials developed for use before, during, and after the conference, including signage. Please do not go to print with any materials before they have been approved by the ISS.

Application Process and Deadline

All applications for Sponsorship Packages and Industry-Sponsored Session slots are processed on a first-come, first-served basis. The application and all required documentation must be completed and sent to rose.puleo@spasticityX.com by Monday, 20 July 2026. Acceptance of all applications received after Monday, 20 July 2026, will depend upon availability of time slots.

Audiovisual

Audiovisual equipment will be supplied based on the existing setup.

Disclaimer

The ISS is not responsible for unsatisfactory attendance and/or marketing of the industry-sponsored sessions. It is the responsibility of the session organizer to market this event. The opinions presented at an industry-sponsored session are solely those of the speaker and the session organizer. They do not represent the opinion of the ISS. The ISS does not review the full presentations given at these sessions, and makes no warranty, endorsement, or recommendation regarding the safety, effectiveness, quality or costs of any products or services. The ISS reserves the right to have an ISS staff member or volunteer on site to monitor the scope and content of each industry-sponsored session. The session organizer holds the ISS harmless from any/all claims that may result from an industry-sponsored session.

Violations

To protect the integrity and quality of the session program and to ensure a successful outcome for all parties involved, the ISS requires each applicant to agree that they, their employees, speaker(s), and program organizers will observe all applicable ISS guidelines. The ISS at its sole discretion reserves the right to revoke privileges for future meetings of any organizer involved in planning an unofficial session that does not comply with these guidelines.
